### LSB ATTENDANCE REQUIREMENT

The Licensing Services Branch (LSB) requires at least 10 events to be shot on 10 **SEPARATE** days.

The only exceptions are the Probationary members (5 matches within 6 months, 5 separate days) and the lone member who has an air pistol, a rimfire, a general category handgun & a black powder pistol. He and he alone in this Club, can shoot his 12 required matches on 10 separate days. If you want to shoot more than one match per day, you can. The extra matches just **don't count** for attendance purposes.

FINALLY, DON'T FORGET .22 SHOOTERS, TO USE YOUR .22 IN **AT LEAST 4 MATCHES!**

(Silhouette & 25 Meter Matches are ideal)
