

## **IPSC – State selection shoot - September 2007**

The Wodonga Handgun Club thanks all the competitors who travelled from VIC and NSW to attend our 1<sup>st</sup> Team Selection Shoot over the long weekend. Ninety shooters attended the match and made the event a huge success. Talking to many of the competitors during and after the match it was very gratifying to hear comments such as ‘brilliant ranges’ ‘some of the best stages I have shoot in a long time’ ‘when is your next match’, and ‘those hamburgers are delicious’. With this event now planned as an annual event the future for IPSC in the Wodonga region is looking very positive indeed.

The match consisted of 11 very challenging stages, with shooters deciding the fastest and most accurate way to shoot each stage. Eight of our local club members’ joined the competition with first places going to Peter Rohrich for Super Senior Division and Lee Rohrich winning A Grade.

The outright Open Division went to current Australian Champion Brody McIntosh from Cobram Pistol Club with Di Murray from Hume Pistol Club taking out a new category, Top Gun Champion. This category is awarded to the best and fairest as voted by the Range Officers.

With preparations for next years shoot well under way it promises to be bigger and better. Thankyou to all the members from the Wodonga Handgun Club who made the event possible with a special thanks to Jack Mylos for his extremely generous contribution toward construction the ranges.
